

SCORE for the Cure –

Announcing the 5th Annual American Cancer Society

Relay For Life of Cy-Fair Golf Tournament

September 2009, Houston, Texas

FOR IMMEDIATE RELEASE

<http://www.hprelayforlife.com>

Mark your calendars for Thursday, October 15, 2009, when the 5th Annual Relay For Life of Cy-Fair Golf Tournament benefiting the American Cancer Society will take place. Golfers who want to have a good time while helping others will take to the links with a 1:00 pm Shotgun Start at Windrose Golf Club located in Spring, Texas (www.windrosegolfclub.com). The tournament format is a 4-Person Scramble.

Stacie Hemann who has led this organization of volunteers since its inception five years ago, announced "We are very proud to contribute to such a worthy cause as the American Cancer Society." And she added, "Our tournament is different mainly because of our great, charitable sponsors. Golfers experience activities going on at many different holes, and are treated to everything from food and drink to contests and giveaways. Some of the contests offered include Hole-In-One, Closest to the Pin, Longest Drive and Second Shot Closest to the Pin. With all of this additional fun, it's one of the best times you will have on the golf course!"

According to Lesley Williams, Community Manager, American Cancer Society, "With the help and support of generous sponsors, the tournament has been able to contribute valuable funds to the American Cancer Society's Relay For Life of Cy-Fair event and the continuing search for a cure. Sponsorships are still available so please join us for this great event." Contact Stacie for more information.

Registration is quick and easy online at <http://www.hprelayforlife.com/registration.php>

Registration Fee is \$125/person and includes Green Fee, Cart, Range Balls, and 4-Drink Tickets. Lunch and Dinner are provided. Silent Auction winners and any other awards are announced at dinner following the tournament.

About the American Cancer Society

The American Cancer Society combines an unyielding passion with nearly a century of experience to save lives and end suffering from cancer. As a global grassroots force of more than three million volunteers, we fight for every birthday threatened by every cancer in every community. We save lives by helping people stay well by preventing cancer or detecting it early; helping people get well by being there for them during and after a cancer diagnosis; by finding cures through investment in groundbreaking discovery; and by fighting back by rallying lawmakers to pass laws to defeat cancer and by rallying communities worldwide to join the fight. As the nation's largest non-governmental investor in cancer research, contributing nearly \$3.4 billion, we turn what we know about cancer into what we do. As a result, more than 11 million people in America who have had cancer and countless more who have avoided it will be celebrating birthdays this year. To learn more about us or to get help, call us any time, day or night, at 1-800-227-2345 or visit cancer.org.

About the Annual Relay For Life of Cy-Fair Golf Tournament

The Annual Relay For Life of Cy-Fair Golf Tournament benefiting the American Cancer Society is sponsored by a dedicated grassroots group of Hewlett-Packard employees led by Stacie Hemann along with volunteers of friends and neighbors from the local Cypress, Houston, Spring and Tomball communities. Each year they build upon the previous year's successes to provide a fun golfing experience that will raise funds to find a cure for cancer.
